FANTASTICAL PIECE WITH PLAY AND PUPPETRY...

WHERE DO THE NOSES GROW?

One night Lucy cannot sleep.

She hears a strange sound bouncing
around her bed! What is it?

She awakes and discovers a strange
crumbled bit of brown paper, paper that
seems to be alive... what can it be?
It wants her to follow it...

And so begins a fantastical journey full of
strange encounters and play.

She sets off to reach the island of noses
where the strange nose rose grows.

So... **Where do the Noses Grow?**
Come and join Lucy and see for yourself!
